Instructions for Viewing SARA Policy Modification Proposals from Past Years

Please use the instructions below to view SARA Policy Modification Proposals from past years, including proposals that were approved as well as those that were withdrawn or not approved.

Step 1:

From the Participate in SARA Policy Modifications webpage, click the “SARA POLICY PORTAL” button.

Step 2:

On the left side of the screen, click the down arrow next to “Current Cycle: Policy Proposals” and select “All Cycles: Archived Proposals.”
Step 3:
All proposals from prior years will be listed. Click on a Policy Modification Proposal Name to view details about the proposal.

For assistance with or questions about this process, please email info@nc-sara.org
